Athletic Training Services

The Athletic Training Staff at WWU would like to welcome you to our campus. The following information has been provided to assist you in Your travel plans. Please contact the sport specific ATC with any additional questions.

Facilities

The Athletic Training Room is located at the south end of the main hallway in Carver Gym. The Training Room is the primary care facility for Volleyball, Men's & Women's Basketball. Modalities that are available are Electrical Stimulation, Ultrasound, Hydrocollators, Light Therapy, and Ice.

Football, Softball as well as Men's & Women's Soccer are cared for at the stadiums. There are no modalities at the stadiums.

Treatment Requests

If the visiting ATC wants to schedule pre-game treatments please contact the sport specific ATC.

Event Coverage

Medical coverage is provided by Western Washington University Athletic Training Staff. A team physician will be at all home Football & Basketball games. Providing travel does not conflict with game time, a team physician will be on-call for all other events.

Supplies

Visiting teams will be supplied with ice, water, & cups or water bottles. WWU Athletic Training Services will have emergency equipment on the WWU sideline. All other needs should be addressed prior to arrival with the sport specific ATC.
